Details will be discussed further as Tommy finds out all the details and possible costs. There is a possibility of the kids being able to ride with Seward on their bus.

There is a Hunter's Education class being held on April 27 from 9-5 for ages 9 and up and the cost is \$10 per child. The class is being held at the range, Heather Pearson provided the information.

Discussion about the meeting for the hiring of new principal in Sterling/Cooper Landing was short considering most of the parents will be away on Skiing and unable to attend the meeting. Virginia offered to write Dr. Atwater and request a list of questions that will be asked in the interviews and also to let Dr. Atwater know that there is a field trip that day that takes away a vast majority of the parents that would be able to sit in on the interviews via Polycom or Skype.

T-shirts came in and look wonderful. Sarah has been organizing and preparing for the sales and are ready in time for the St. Patrick's Dinner. Thank you Sarah and all that helped make this possible in such a short time. Our total cost for shirts is \$1225.62 as of this meeting, total collected is \$450.00

Meeting Closed: 9:50 A.M.

Next Meeting: April 9, 9:00 A.M.
