### Thank you to the Cooper Landing Community

The staff, students, and Parent Advisory Committee at Cooper Landing School would like to thank everyone who made this year's Holiday Market such a great success. Thank you to all of the vendors who paid for a space, and worked hard to bring their wonderful goods to the market to sell. Thank you to all who donated soup and baked goods to sell for the PAC fundraiser. Thank you to all of the elves who are volunteering their time for the elf auction. Thank you to all who came and shopped, bought swags, ate, and bid on elves. We at Cooper Landing School recognize that it takes a supportive community to make a small school great, and we feel so lucky to have this community to support us.

I can't wait for December 1st because our school is going on a field trip. We're going to the Anchorage Museum, and I can't wait. The museum changes its exhibit every once and a while, but right now the exhibit is going to be the Vincent Van Gogh experience.

Our school is going on a field trip to the Anchorage Museum December 1<sup>st</sup>. The Museum exhibit is called Vincent Van Gogh Alive – The Experience. Vincent Van Gogh was an amazing artist back in the day. I'm really excited to go there.

The kindergarten through fourth grade went to the Anchorage Gymnastics Association for four weeks of gymnastics lessons during the month of November. The younger students learned about tumbling and gained flexibility and had lots of fun. This is them doing rolls.
