New Year's Resolutions By Cooper Landing School Students

Natalie –3rd Grade

What I want to do more is play outside. I don't play outside that much. And I want to spend more time with my family. I would like to go somewhere with them. And I would like to make a snowman outside. I would name it Frosty. The Snowman.

Stela –4th Grade

I want to get better at math. I also want to play Sumdog more. I hope I get to sleep more, play more, and travel more. Eat more noodles like macaroni and cheese and play electronics more spend more time with family and friends. And catch Pokemon more.

Leihla –5th Grade

I want to:

1. Read more books
2. Win Battle of the Book
3. Cook more
4. Eat exotic foods
5. Beat my cousins to the ground

Crosby –Kindergarten

New Year's Resolution: Play Marbles

Athena –1st Grade

I want to exercise more with my dog.

Olive –2nd Grade

My favorite hobby is whale watching. I hardly ever get to do it, but I like it. I think whales are really really cool. It's probably highly impossible for me to ever go whale watching, but I think I can do it.

Cooper –5th Grade

My New Year's Resolution is to make a big Lego Dragon for all of the main ninja (counting Nya and Sensei Wu) (from Lego Ninjago) I might even make some of them shoot projectiles.

Randall –5th Grade

My New Year's Resolution is to be a smarter kid. I want to be the smartest kid in the whole school.

Axel –2nd Grade

I would like to do more art. And I would like to do Yoga.

Hunter –6th Grade

This year I would like to get my Hunter's Ed Course finished and get my own moose. Maybe even a caribou if we go caribou hunting this year.

Wolfgang –Kindergarten

Play outside with my own sled.
