Local Alaska State Trooper Joe Miller gave the CLS students quite a treat in October. He arranged for the AK State Trooper Helicopter to land at CLS in the ball field. It was very exciting and the students were able to explore the helicopter and question the pilot. Trooper Miller then spoke to the students about life as a trooper and they were able to explore his vehicle and all its bells and whistles. Thanks Trooper Miller! That is an experience the students will remember for years to come.

When I heard that the helicopter was landing in the school field I was excited. There was a cubby built into the helicopter that had pepper spray in it. There was also a built in wench. Someday I want to ride in a helicopter. By Cooper Gossard

It was really fun with Trooper Miller at school. We sat in the car and did the siren. We tried the spike strip. We learned about the baton. Thank you Mr. Miller! By Leihla Harrison

- Upcoming Events**
- 5 Gymnastics
 - 6 PAC General Meeting 12:30pm
 - 26 Early Release
 - 27 No School—
Happy Turkey Day!
 - 28 No School

- Birthdays**
- 5 Heather Pearson
 - 5 James Holben
 - 5 L.A. Perkerson
 - 7 Janette Cadieux
 - 7 Mike Smith
 - 7 Tom Knock
 - 13 Erik Route
 - 15 Vicki Berry
 - 16 Alma Fowler
 - 20 Keith Doroff
 - 21 Mayme Ohnemus
 - 25 Dave Westerman
 - 25 Dean Birmley
 - 25 Gary Mitchell
 - 25 Sean Norris
 - 26 Bruce Peterson
 - 26 Shelby Lubich
 - 28 Heather Harrison

That's right...it's time to **SWAG!!**

Call now to order your swag!

\$20.00 each or 2 for \$35.00!

595-1244

Swags will be ready for pick-up the week of November 17.

- Anniversaries**
- 9 Mack & Jane McConnell
 - 19 Dave Westerman & Terri Tobias
 - 25 Linda & Bruce Peterson
 - 27 Erik and Cory Route

MIND-A-MAZES

By Linnaea and Preston

On Saturday the 11th of October all of our team, Hunter, Preston, our coach Ms. Ryan, and I (Linnaea) went to Soldotna to the district competition. At the competition there were a lot of junior teams and only 9 senior teams. When we first got there we went to the table in the front to sign in.

There were five floor fans and each team used one to race with. The problem was to make a car that could travel with only wind power from the floor fan.

We had five minutes to set everything up and one minute to race our car. The judge would score us for how far we go so they would measure the distance our car went and then multiply that number by 12. After

we had raced we were all hungry so we went to the store to get some food but when we got back we found out that we had missed the spontaneous problem. We did not win any of the awards but we had a lot of fun anyway.

GYMNASTICS DOES A BODY GOOD!

CLS K-6 students are attending six gymnastics sessions at Cassel Rock Gymnastics in Anchorage. During this time, students learn a little bit of everything including rings, balance beam, trampoline, parallel bars, flips, somersaults, handstands, stretching, muscle building and of course the foam pit! This is a great way for students to learn new skills and have fun!

“Youthfulness is about how you live not when you were born.” — Karl Lagerfeld
