

Cooper Landing School

Welcome to the First Week

This is your first Newsletter for the 2018-19 School Year

Hello All,

Welcome to the first week of the 2018-19 school year. We are so excited to have a fabulous year of learning and growing at Cooper Landing School!

You should be receiving a paperwork packet today; you will notice that it is light on forms. The reason for this is that the district has launched an online paper work process. All district wide forms are available to you to fill out through Power School. I have included instructions for accessing your students forms in your paperwork packet. If you prefer to do all of your paperwork on paper, I will be happy to print out forms for you. Just let me know which you would prefer.

The online process is not perfected yet and there are some forms, that are specific to our school, that you will still need to fill out the old fashioned way.

Mr. Gossard would like to have all of the walking field trip forms filled out and brought in by tomorrow morning. He would like to take the students on walking outings this week as much as possible.

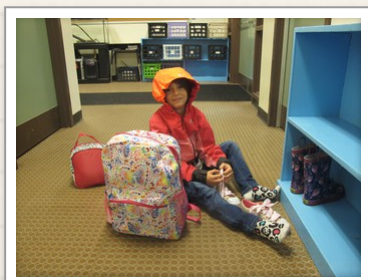

As always, if you have any questions or concerns, please don't hesitate to contact me.

I am always happy to assist.

Susanna Larock

Cooper Landing School Secretary

907-595-1244

DON'T FORGET TO GET ONLINE AND FILL OUT YOUR VOLUNTEER APPLICATION

If you plan to volunteer at the school or chaperone on field trips, you must first fill out an online application and pass a background check. If you click on the title above, it will link you to the application. It only takes a few minutes to fill out the application, but the background check process can take some time. I encourage everyone to do this right away; if you need any assistance stop by or call the school.
