## CONGRATULATIONS MOOSE PASS FORENSICS WINNERS!

All of the students at Moose Pass School chose forensics pieces in early February to practice and perform. The school held its own forensics event last Wednesday giving each student a chance to perform in front of judges and an audience. All of the students worked hard, performed well, and enjoyed the experience.

Some of the 4th-6th graders went to Tustumena last Saturday to compete in the district wide forensics event. Lillian Blair placed 1st in the Interpretive Reading Singles 6th grade category. Axel LaRock and Emery Kirchner placed 1st in the Non-Humorous Pros Multiples 5th grade category. Dylan Bond and Alyssa Kirchner placed 2nd in the Interpretive Reading Multiples 4th grade category. Olive James placed 3rd in the Non-Humorous Pros Singles 5th grade category.

Moose Pass School would like to thank Tustumena Elementary for hosting this wonderful event. So much work goes into the event, and the students get so much out of it! We are very grateful to have had the opportunity, and would like to show appreciation for all who volunteered their time to make this possible.

HAVING FUN AT THE FORENSICS EVENT IN TUSTUMENA!
