## THE LAST DAYS OF THE 2019-2020 SCHOOL YEAR AT MOOSE PASS SCHOOL

This week is the last full week of school for the 2019-2020 school year. We are still focusing on academics and getting work done. Zoom meetings will be the same as usual this week with one exception.

There is a special 'Follow up on Plant Learning' Zoom meeting with Mr. Jason and Ms. Laura on Wednesday at 1PM in Ms. Barron's Zoom Room, and the regularly scheduled 2PM meeting is cancelled on that day.

Ms. Barron has been working with one of our great volunteers, Mr. Painter, on putting a schedule together for students to plant potatoes. Social Distancing is being taken into account in this planning. Ms. Barron will get more info to you on this soon. The tentative day for this is Friday, the 15th. There will be no materials pick up on Friday, but you may want to make plans to get your student to the school for potato planting.

Next week there is school on Monday, Tuesday and Wednesday. These will be fun days, in the grand tradition of the last few days of the school year. This will culminate in a ZOOM Talent Show in Ms. Barron's Zoom room at 11AM on Wednesday. This will be one last chance for the students to "get together" and share before we wrap up this school year. We would love for parents to be there as well, so that students have an audience.

Last, but not least, materials return will be on Wednesday, May 20. Please plan to come to the school and return any materials that your student has borrowed from the school this quarter ie: art supplies, computers, LEGOs, books.

The staff at Moose Pass School would like to express our gratitude for all of the hard work that parents and students have done this quarter. We were all faced with a challenge like none we have had before, and it was such a joy to see how much can be done when we all work together as a school community. We hope that you all have a wonderful summer, and we look forward to meeting new challenges with you in the 2020-2021 school year.

## ELECTRONIC LIBRARY RESOURCES AVAILABLE

Libraries across the state continue to remain closed, but free electronic resources are available. You can find links for some of these resources listed on the left-hand side of Cooper Landing Community Library's [online catalog](#).

Also check out:

- [SLED: State Library Electronic Doorway](#), an extensive list of resources licensed for all Alaska residents
- [KPBSD's Parent & Student Resource Page for Remote Learning](#), a collection of general academic and support links to help serve the academic needs of K-12 learners
- [Alaska Digital Library](#), ebooks and audio books available to those who have a library card from a large library (Soldotna, Anchorage, etc.).

## DEAR EDUCATORS

We appreciate all your hard work in these unprecedented times, and want to support you in all that you do. Here are a few things we think will be useful for you and your students.

**Summer Reading Online:** Great news! On May 18th we're launching an online Summer Reading Program for kids designed to help encourage reading and prevent the summer slide. Students and their parents will log reading online or on mobile devices.

**NO CARD? NO PROBLEM!** Lost your library card? Fines? Never had one? SPL now offers free, 90 day digital cards so you and your students can access everything you need. Sign up by going to [Soldotna.org/library](http://Soldotna.org/library) "Search our catalog" then "Register."

**Digital Access:** Library cards access Flipster magazines, Lynda.com classes, Mango Languages, and the Alaska Digital Library. The SLED databases require no card, and students have access to Tumblebooks, Brainpop, research sources, online ency-

235 N. Binkley St. • Soldotna, AK • 99669

KPBSD posts flyers as a community service. Such posting does not constitute an endorsement for or against the materials and viewpoints expressed in them.

## A NOTE FROM MS. MOLLY

**Good morning, Hope families!**

This will be the last "real" week of school. We will have a collection box outside the front doors starting Friday morning so you can drop any materials off that you have taken home. This might include text books, chapter books, electronics, or other items.

We want to congratulate everyone on their hard work this year, but especially since the end of March. It has been an unusual finish to the school year, to say the least, but we are so grateful to students, parents and everyone else who has helped support distance learning this year. YOU are rock stars!! *A big cheer for Liam, who is graduating in just a week!!!*

There will be some fun events for the last three days of school, including trash pick up, and "hang out" time. Stay tuned in your emails for more specific instructions from your teacher. Please don't hesitate to reach out if you have questions, and we hope you are staying healthy and getting lots of sunshine!

Be Well,  
Ms. Molly

## A NOTE FROM MS. DONNA

Hi All - I hope this finds you all well and enjoying springtime in Alaska! I also hope that all moms out there had a wonderful Mother's Day!

We are encouraging all students to make a strong finish and end this school year on a high note. It has been a strange year from start to finish. I know we would all welcome a "normal" year for 2020-2021. Summer is right around the corner and my wish is that we can all enjoy it to the fullest.

A couple of dates to be aware of:

May 14 - Written & Illustrated Zoom Presentation (Author's Tea), 10:00 AM

May 15 - Kindergarten Graduation & Awards, 10:00 AM & Laptop Retrieval

Stay Well!

## A NOTE FROM NURSE YOLY

### Online Student Appointments with Nurse Yoly

As we all adjust to try and communicate online, I want to continue to connect with students and parents/guardians. The concept of telehealth is widely used. Our villages have long utilized this form of health care delivery. I am holding virtual nurse office hours through Zoom. My office hours will be Monday-Friday from 9am-12pm. Email or call and let me know when you want to meet on Zoom and I will send an invitation to your email. Accept my invitation and you have an appt. with Nurse Yoly J My contact information is [yifflander@kpbsd.k12.ak.us](mailto:yifflander@kpbsd.k12.ak.us). Telephone # is 224-9018. Please leave a message and I will return your call.

Remote Nursing Services for students can include but not limited to:

1. Answering Student health-related questions ie medications, nutrition, Covid-19, asthma, allergies, cardiac issues, diabetes, skin issues, stress, anxiety, depression to name a few health concerns.
2. Guidance for home care treatments and possible referral for additional medical care.
